

Immersion Corporation President & CEO, Louis Rosenberg, Interviewed by WallStreetReporter.com

SAN JOSE, Calif. Jan. 13, 2000--Immersion Corporation, (NASDAQ: IMMR) today announced that its Founder and Chief Executive Officer, Louis Rosenberg, was featured in an interview with the online financial forum, WallStreetReporter.com.

In this interview, which can be heard at www.wallstreetreporter.com, Mr. Rosenberg discusses Immersion Corporation strategy for proliferating TouchSense technology across markets, platforms and applications so that the sense of touch becomes as common and beneficial as graphics and sound in the modern computer user interface.

About WallStreetReporter.com

WallStreetReporter.com is one of the leading information sources for professional investors seeking successful new investment ideas. Their in-depth interviews are geared towards sophisticated investors who demand an unbiased, unscripted, first-hand perspective that enables them to make informed investment decisions. In December 1996, WallStreetReporter.com became the first Internet site to feature daily CEO interviews. Since that time they have conducted over 3,000 interviews, including interviews with Microsoft (NASDAQ: MSFT), Corel (NASDAQ: CORL), Sybase (NASDAQ: SYBS) and Prodigy (NASDAQ: PRGY), which have been heard by more than 2 million investors worldwide.

About Immersion Corporation (www.immersion.com)

Founded in 1993, Immersion Corporation develops hardware and software technologies that enable users to interact with computers using their sense of touch. Immersion's patented TouchSense technologies, enable computer peripheral devices to deliver tactile sensations that correspond to on-screen events. Immersion licenses its hardware and software technology, on which it holds 42 issued patents worldwide, to industry-leaders in order to integrate and implement its sensory feedback into professional simulation and modeling, consumer devices, and enabling technologies.

All statements contained herein, as well as oral statements that may be made by Immersion or by officers, directors or employees of Immersion acting on Immersion's behalf, that are not statements of historical fact, constitute "forward-looking statements" and are made pursuant to the Safe-Harbor provisions of the Private Securities Litigation Reform Act of 1995. Such forward-looking statements involve known and unknown risks, uncertainties and other factors that could cause the actual results of Immersion to be materially different from the historical results or from any future results expressed or implied by such forward-looking statements. Such risks and uncertainties are outlined in Immersion's Prospectus dated November 12, 1999 included in its Registration Statement on Form S-1 filed with the Securities and Exchange Commission. These factors may not constitute all factors that could cause actual results to differ materially from those discussed in any forward-looking statement. The Company is not obligated to revise or update any forward-looking statements in order to reflect events or circumstances that may arise after the date of this release.
